Link where you live, work, and play.

THIS COULD BE YOUR VIEW

A BEAUTIFUL MODERN CONDO OVERLOOKING THE MARSHES GOLF COURSE

Welcome to Serenity In Kanata North

We are offering a rare opportunity to enjoy panoramic views of a manicured golf course, glistening lakes, and lush forests beside NCC protected green lands, without leaving the comfort of your own home. Enjoy serenity and calmness, while being situated in Kanata North where the world's largest technology companies are located. Both your serenity and time are precious. We believe in increasing your happiness by linking where you live, work and play.

UPGRADE YOUR LIFE WITH EXCEPTIONAL DESIGN

We are excited about our 32 premium residences. Understanding that your home is the place where every new day begins, we provide open-concept suites with 9 feet high ceilings and lots of windows for abundance of natural sunlight. Reward yourself to beautiful 5" wide hardwood floors, gourmet kitchens with additional pantries and quartz countertops, full-size stainless steel appliances, cozy bathrooms with porcelain tiles and modern faucets, as well as large private balconies for your enjoyment of the outdoors.

Serenity In Kanata North offers you all the conveniences of a maintenance-free, elegant condominium lifestyle with indoor fitness amenities, grand lobby, rooftop patio with barbeque, full-size elevator, heated underground parking, and indoor bicycle storage. Everything has been carefully designed to enrich your lifestyle, so you can live carefree and enjoy style, comfort and recreation.

CLOSE TO EVERYTHING YOU NEED

At Serenity In Kanata North, you will enjoy living in close proximity to every amenity you need. From shopping malls, supermarkets, schools, fine dining and cafes, to an assortment of outdoor hiking trails, bicycle pathways and city parklands, everything is nearby.

Linking where you live, work and play. Serenity In Kanata North is situated minutes to major shopping and entertainment destinations including Kanata Centrum and Tanger Outlets. A walking distance to Canada's largest technology companies, and a short biking distance to Federal Government's new defence (DND) headquarters.

Finally, with The Marshes Golf Course conveniently at your doorstep, you will enjoy waking up each morning to the dew-covered greenery or dining outside on your private balcony in the warm summer breeze. Both are sure to add tranquility to your life. It's that extra scenery when you enjoy or dine outside that makes golf course living such a treat!

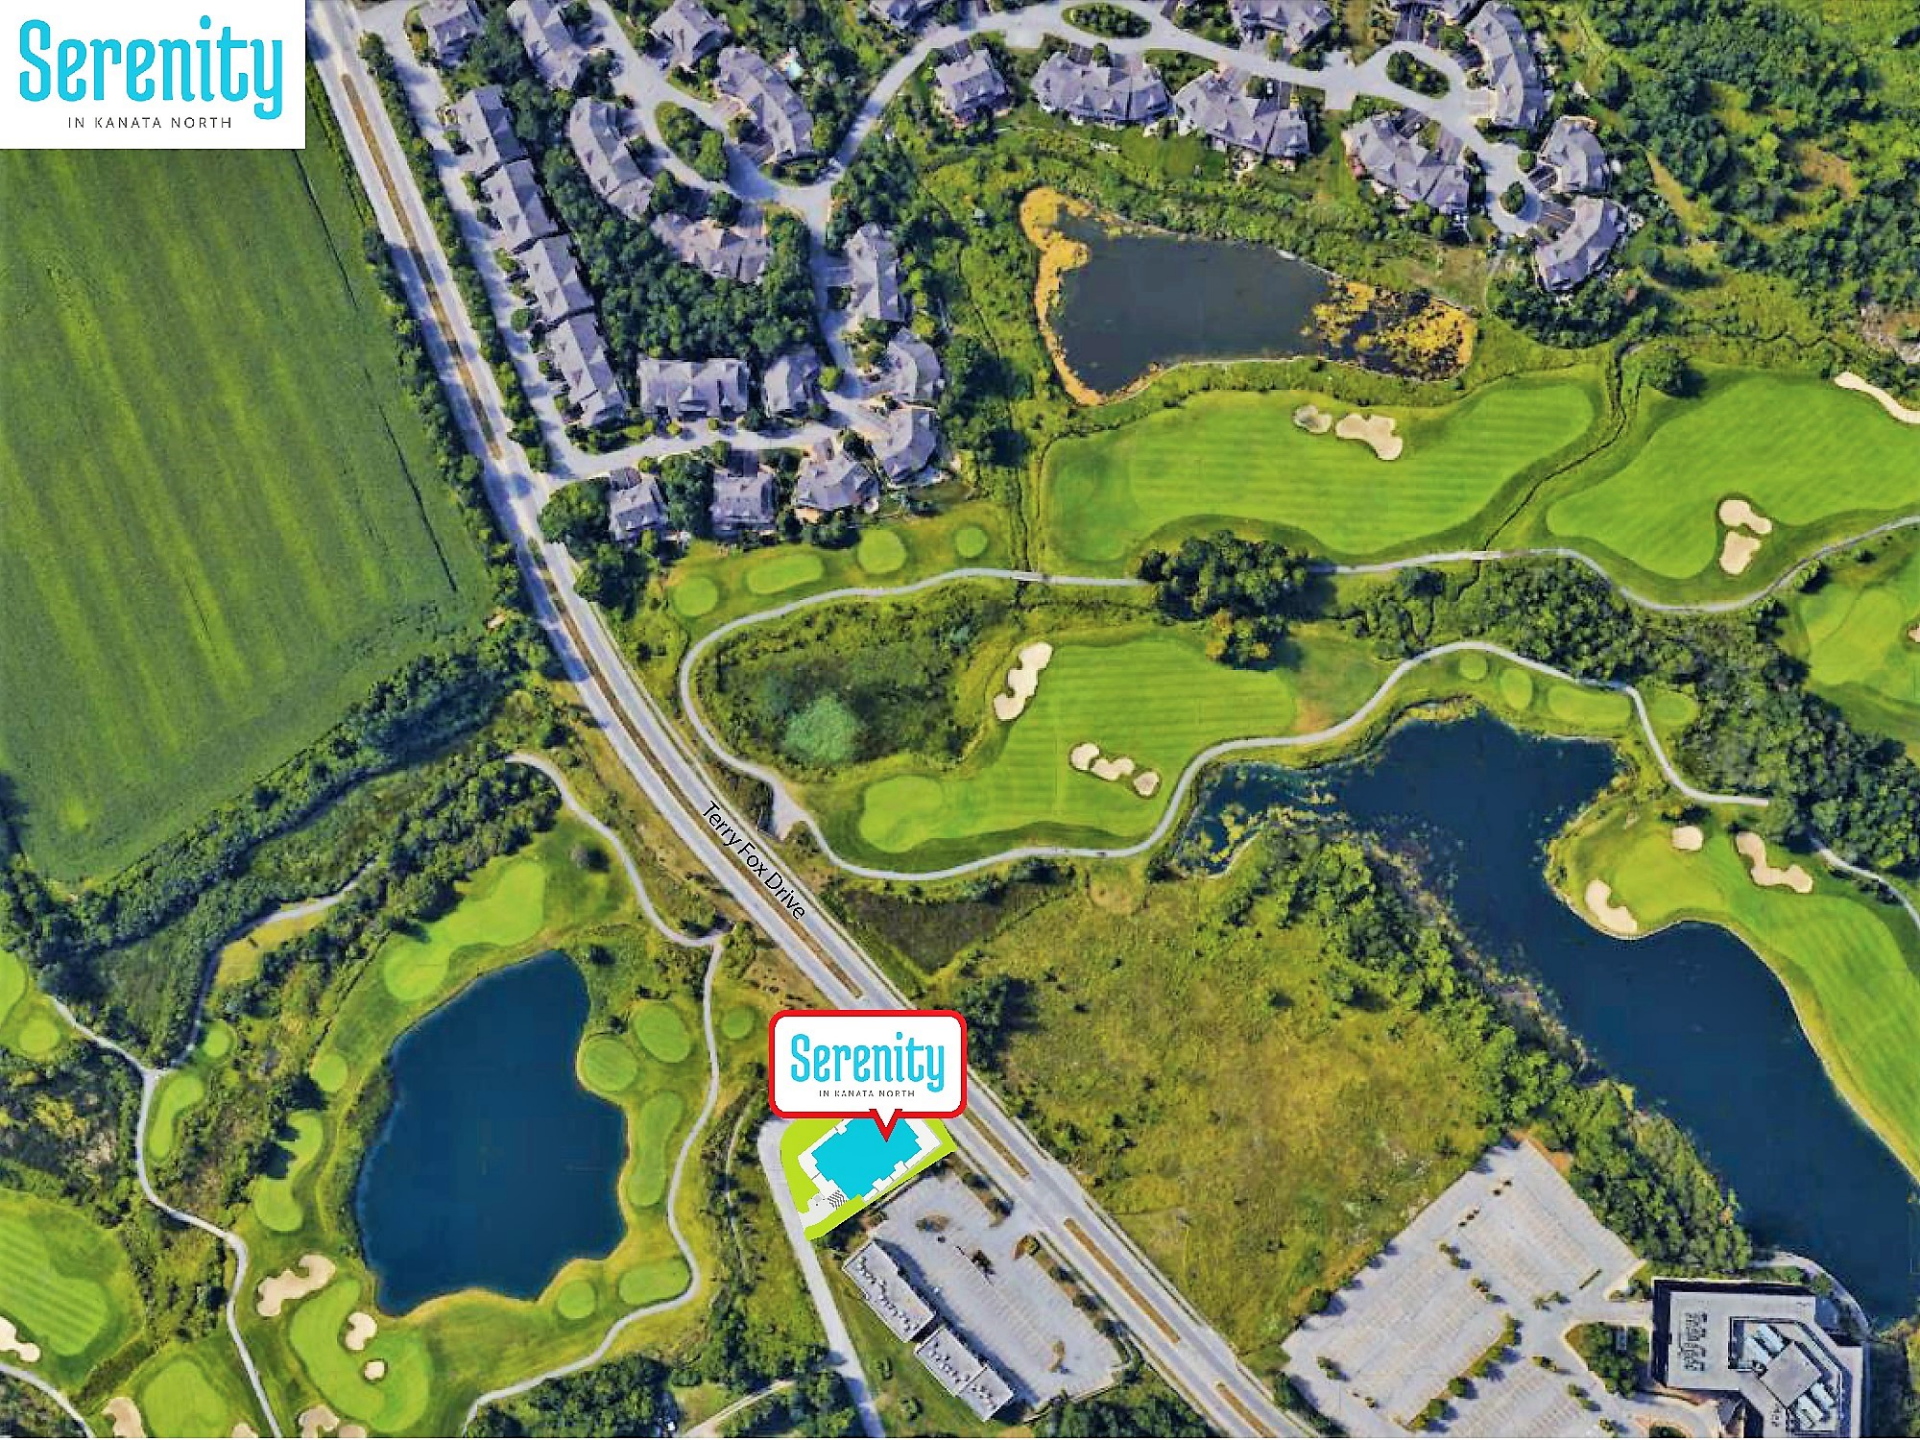

THIS COULD BE YOURS RARE PANORAMIC GOLF AND LAKE VIEWS

Serenity in Kanata North is a very limited offering overlooking one of Canada's most prestigious, award-winning golf courses. With a vibrant ambiance, it's a place that fills your desire for lake and land! Enjoy natural wide open spaces and explore miles of winding trails through NCC protected green lands.

With only 32 suites, Serenity is centred on connections: connections with community, with nature, and with innovation. All of this makes Serenity In Kanata North an enjoyable area for people seeking an active, outdoor lifestyle and a very desirable place to live. Imagine your life here made effortless. Relax, unwind, and greet each day with a fresh sense of rejuvenation.

Serenity design &
development inc.

LIVE IN EXCELLENCE

Serenity Design & Development Inc. is an Ottawa family-owned development company focused on designing and constructing aesthetic communities where people live, work and play.

We are devoted to the quality of lasting architecture, whereby our development legacy are the places that people gaze upon and speak of. Over 40 years of experience in building places for families, companies, and institutions has taught us that attention to detail in how people live is the most important element of design.

From custom single-family residences to contemporary townhouses to luxury condominiums, every Serenity Home achieves the highest standards of excellence. We integrate the latest architectural trends, energy saving designs, and innovative construction practices to exceed industry standards. These features lead to higher levels of indoor comfort, environmental sustainability, and healthy living.

Serenity Design & Development Inc. is committed to providing you the very best in fine quality homes. Whether it is our personable approach to serving clients with uncompromising integrity and honesty, our dedication to beautiful and functional layouts, or our notable history of construction excellence and enduring value...

Every homeowner can be proud of their Serenity Home !
